AMAZONE ASBL

Welcome to Amazone, the **crossroads for gender equality** !

Located in Brussels in the heart of Saint-Josse-ten-Noode, Amazone asbl has many equipped meeting rooms, as well as a catering service and a restaurant.

Amazone is an organisation dedicated to women* as well as to non-profits, other organisations and individuals who support their fights. We aim to closely follow the feminist movement in Belgium and help to create **social, cultural and professional links to promote gender equality**. Amazone also has a social restaurant, a conference centre, an information centre and initiates a variety of projects and events.

Amazone promotes an intersectional feminism, which takes into account the many forms of discrimination (in addition to sexism) suffered by victims of gender discrimination.

Women*: we refer to anyone who recognises themselves under this name and maintain that everyone is free to define their own gender identity.

By using our congress centre, our restaurant and our catering service, you support Amazone's social project.

As a local employment development initiative (ESMI), Amazone offers a professional reintegration programme where anyone can get another chance in the labour market.

Drinks and meals are provided exclusively by Amazone. Our restaurant holds the **GoodFood label** and favours local suppliers, organic, seasonal and fair trade products.
